Some women don't know what it is to sleep well. In dreams they are haunted by the pains they bore through the day. There is no rest and no refreshment for them even in sleep. This condition is only one feature of many consequent upon forms of disease peculiar to women. The head aches often, or there are "spells" of dizziness or faintness, there is pain in the back or side, with bearing down pains. These are but symptoms of womanly disorders. Let the cause be removed and the pains will pass, and sleep will bring only dreams of happiness and love.

The most effective remedy for diseases of women is Dr. Pierce's Favorite Prescription. It dries up the debilitating drains, heals inflammation and ulceration and entirely cures female weakness.

There is no alcohol, whiskey or other intoxicant contained in "Favorite Prescription," neither does it contain opium, cocaine, nor any other narcotic. It is a strictly temperance medicine. Accept no substitute.

Sick women are invited to consult Dr. Pierce, Buffalo, N. Y., free of all charge. Each letter is treated as a sacred confidence. Every answer is sent in a plain envelope without any printing upon it. Write without fear and without fee.

"I want to praise your medicine," writes Mrs. Sarah J. Burney of Crescent, Putnam Co., Pa. "I have been sick for twenty years, and have been almost in bed five years, and now I am able to work all day. I have taken eight bottles of 'Favorite Prescription,' and four of 'Golden Medical Discovery,' and one vial of 'Pellets.' I praise your medicine to all. I had the headache but it is gone. My throat is well and cough gone and all my old troubles are better. I tried many other kinds of medicine and four doctors."

Doctor Pierce's Pleasant Pellets help Nature to help you.

MR. J. B. SEEVERS, CARPENTER SAYS THAT THE DOCTOR IS ALL RIGHT.

It is with a great deal of pleasure that I add my testimonial to the hundreds of others as to the skill and ability of Dr. H. P. Lorbach, Scientific Optician, at the Norwood Hotel. I have been troubled a great deal with my eyes, have tried a number of Opticians and Oculists, but all without success. I called on Dr. Lorbach. He gave me eyes a most thorough examination and told me what the symptoms were, as well, if not better, than I could myself. This convinced me that he knew his business, and so it proved, as the glasses furnished by him are giving entire satisfaction. I can recommend the doctor to any one needing his professional services.

J. B. SEEVERS, 519 Smith street.

HEADACHE ENTIRELY CURED.

Mr. C. B. Kimberly, Grocery Merchant at No. 603 Putnam street, says: That he has been a wood turner by trade for a number of years. That he has been afflicted with SEVERE HEADACHES, so much so that it almost made him unfit for business either at the lathe or in his grocery. In fact some times keeping him away from the factory for a week at a time. I was recommended to go to Dr. Lorbach, Scientific Optician, at the Norwood Hotel, by a relative from Huntington, W. Va., who has known the Doctor and his works in that city for some time.

I went to Dr. Lorbach, he examined my eyes in the most scientific manner, prescribed for me a pair of glasses, which have entirely cured my headaches and also improved my vision very much. If I could not get another pair like them no money could buy them. I can cheerfully and conscientiously recommend the Doctor to any one having headaches or eye trouble as thoroughly competent in his profession and honest in his statements.

C. B. KIMBERLY, 603 Putnam street.

TRUSTEES

Of the Gilman Ave. M. E. Church Will Remodel and Fresco Their Building.

At a meeting of the trustees of the Gilman Avenue M. E. Church Monday evening it was decided to make extensive repairs and improvements in the interior of the house of worship.

The Auditorium will be remodelled and the plans will call for a harmonious and pleasing blending of colors in the decorative work. The walls will be frescoed, new carpet will be spread upon the floor, the pews be varnished and in short the whole interior of the church, when the improvements contemplated are finished, will compare favorably with any other edifice of like nature in the city. A number of bids were received from contractors, but as no specifications had been prepared by the trustees there was a wide variance both in the manner and cost of doing the work. The specifications were, however, formulated by the trustees Tuesday morning and the contracts will be let within a few days. The building must be completed in time for the Epworth League Convention which is to be held at the Gilman Avenue M. E. Church in the latter part of May. The room will be in the hands of the painters by April 2nd and the frescoing and remodeling will occupy the space of six weeks.

An effort will be made by the congregation to secure the second floor of the I. O. O. F. Hall on Gilman street for the purpose of holding services during the time the church is in the hands of the workmen.
